## 1st International Conference on Intercultural Dialogue through the Arts: COMMUNITY DEVELOPMENT, EDUCATION AND POLICY

### 21 - 24 September 2017

Day 1 and Day 2

Saga University, Saga

Day 3 and Day 4

NPO Tiempo Iberoamericano, Fukuoka

ACADEMIC SESSIONS - WORKSHOPS  
POSTER SESSIONS - OPEN FORUM  
MUSIC PERFORMANCES - ART EXHIBITIONS

This inaugural conference, which includes academically-oriented practical arts-based workshops as well as academic presentations, aims to generate wide-ranging forms of intercultural dialogue through which interconnected global and local issues can be explored within the spheres of education, language, culture, and society through the arts.

Scholars, educators, practitioners and community stake-holders from different fields are invited to participate in this event to further promote intercultural exchange, community development, and educational and policy initiatives through the arts.

## OPEN FORUM

- Intercultural Engagement through the Arts -

Admission  
Free

A bilingual public forum organized by NPO Tiempo Iberoamericano will explore intercultural engagement through the arts. It aims to create a dialogue through a contrast of local initiatives, cultural influences and some practical experiences from across government, business, NPO and academic sectors towards dynamic community development. Specially invited panelists from Saga and Fukuoka will share their perspectives with local participants and the public. We invite and encourage all conference and festival goers to attend. \* Language: Japanese ⇄ English (interpretation available) \* It's best to book in advance.

**Moderator** Taichi Goto (President / CEO of Region Works LLC)
